

# Maud Milton's

## PRIVATE COMMISSIONS

Bespoke mosaic and ceramic projects to suit your needs: indoor, outdoor, floor, wall or furniture. We offer the best quality materials and a friendly and professional service. This is your ideal opportunity to have a unique work of art designed with and for you or your recipient.

Initial idea meetings are followed by design approval, and then the making begins: installation is reliable and adaptable. We will help make your artistic dreams come true, whether a simple kitchen splashback, a door-plaque, a table-top or a grander and more ambitious piece. We look forward to hearing your ideas.

## MOSAIC WEEKEND WORKSHOPS

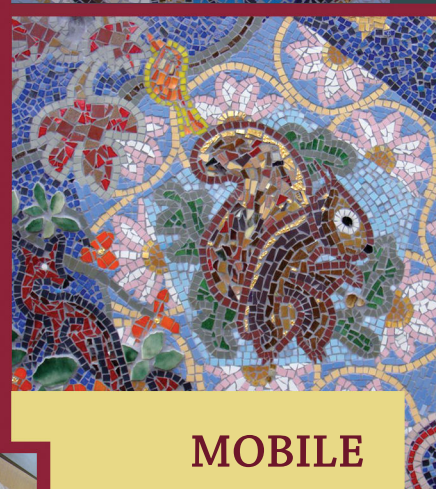

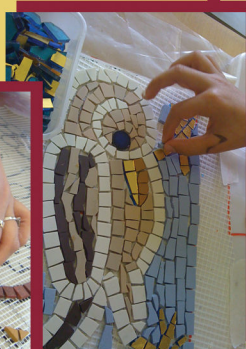

Make your mosaic individually or make one large piece as a group (an ideal wedding or birthday present, or family experience). Maud has been teaching art, ceramics and mosaics since 1994 to all ages and abilities.

The classes take place in a beautiful setting right next to the River Thames and the River Lee, opposite the Millennium Dome. See [www.trinitybuoywharf.com](http://www.trinitybuoywharf.com) for the location details (E14 0JW - nearest DLR East India, tube Canning Town). Free parking available. Lunch can be bought from the equally wonderful Driftwood Cafe and Fat Boy's Diner on site.

Over the years Maud Milton and the Artyface team have inspired many adults to take up the art of mosaicing — advising, coaching and encouraging. We want to help nurture your creativity: make that special mirror/tabletop/fire hearth/clock you have always wanted. Make something unique for yourself, on your own or with a friend, for a gift or for your home: no prior experience necessary, and a warm and friendly atmosphere.

- Whole weekend workshops for adults to concentrate on developing skills and abilities, with expert tutors: small groups; all materials and refreshments are included in the tuition fee (real gold and metallic materials extra)
- One-day parent and child workshops in the holidays (over sixes only with accompanying adult). These can be one whole day or two half days, whichever suits!
- Special rates for groups (four or more adults, or three adults and three children).

Dates and prices on our website [www.artiface.co.uk](http://www.artiface.co.uk).

## MOBILE MOSAIC WORKSHOPS

are also available if you have a special event or place in mind: let us come to you! Get in touch to discuss your ideas and needs. We will bring our expertise and equipment to you for a great and unique group experience.
